Between February 13th and February 23rd, students of all ages enjoyed roller skating during PE. The Student Council sponsored a Skating Party for grades K-8. Thank you to the Booster Club for helping to fund this activity. It was enjoyed by all that participated.

BVEC Art Contest

The annual BVEC Jr. High Art Show will be held on Saturday, March 10th at BVS. Please plan to attend the public viewing between 12p.m. and 1p.m. The students have been working very hard and always create awesome work under the direction of art consultant, Mrs. Mary Jane Thornton. It should be a great show.

PARCC Test

Good Health=Good Score
The PARCC tests are coming the week of March 6th. Here are some tips to improve your child's performance.

1. **Breakfast**- A healthy, well rounded breakfast

provides your brain with the energy needed to complete complex tasks.

2. **Sleep**- Children need at least 8 hours of sleep to perform at their best.

3. **Exercise**- Exercise increases oxygen to the brain

and helps with thinking and memory. Malden is not planning on using the test results for a grade, placement, or curriculum planning. We will continue to use MAP scores for curriculum needs.

Malden 5K

Mr. Jones is leading the 2nd annual Malden Grade School 5K early this summer. Exact dates, times, prices, and other details are yet to be determined. The event will be a fundraiser for the Booster Club. Please keep an eye out for a set date and contact Mr. Jones if you are able and willing to volunteer to help. (815) 643-2436. Please be on the lookout for additional information coming soon.

Buddy Bags

The Malden Grade School Staff and the Malden Lions Club are joining efforts to fill Buddy Bags during three weeks in March. Buddy Bags is a program that serves students by providing food items that can be consumed over the weekend. Nine Malden students benefit from this program each week. The Malden Lions Club donated \$1600 to the program earlier in the year. If you are interested in donating time or resources please contact Mr. Patterson.

Track Season to Begin

Track season is right around the corner. Students will participate in their first practice soon. Head Coach Ms. Nichols and Assistant Coach Mr. Jones are eagerly awaiting the beginning of the season. The first track meet will be on Tuesday, April 3rd at Hall starting at 4:00 p.m. The team hopes to work hard to improve individual times and distances. There are many local meets. Please try to attend to support our athletes.

Summer School Planning

Malden Dist. #84 has once again decided to offer a free three week Summer School Program. We will be sending home an interest survey. Please take some time to consider whether you would be interested in sending your child to this program. This is an excellent way to reduce loss of knowledge over the summer. We hope this will be a program that enriches all that attend.
