Free Breakfast

Just a reminder that breakfast is available for all students in the cafeteria starting at 7:30a.m. There is no cost for the student.

There are several great food items to choose.

PK-8th grade students will be presented a Safety Education program. The program is age appropriate and covers topics that will prepare our students to recognize and manage possible dangerous situations. Some of the topics include: PK-2nd– safe adults, stranger danger, internet safety, fire safety, good touch/bad touch, 911, good/bad secrets, abuse, and respect for others. 3rd/4th– private areas, respect for others, safe adults, internet safety, and good/bad secrets. Junior High– dating, relationships, abuse, rejection, mental health, friend selection, peer pressure, conflict resolution, suicide (who to report and recognize), bullying, substance abuse, health resources, respect for others, internet safety (passwords, predators, safe websites, social media, and sharing of pictures). Our students will be taught to treat all members of our society with respect. Malden Grade School trusts that parents will address more sensitive and controversial topics with their children.

Malden News and Notes

Bus Safety

Morning drop off on the south end of the building can at times become congested. Please be patient and allow students to exit and enter the busses. It is most congested around 7:30. Do not pass a bus when the stop arm is out.

Concession Stand Help

Just a reminder that each family will be assigned to run the concession stand at one game this year. If you would like to sign up for a game and choose your date, please visit the Malden GS website.

Teacher Ease

Please check out the mobile App for TeacherEase. I personally use this App for my own children. It provides a quick and easy way to check my child's grades and missing assignments.

Also, I will be sending out notices and updates through TeacherEase email notifications. An email will be sent to the email that was submitted during registration.

Parent/Teacher conferences are scheduled for October 23rd starting at 1 p.m. School staff will begin scheduling appointments in mid October. This is a great opportunity to share praises and concerns with teachers. As always, if you need to speak with a teacher prior to a formal conference, please email them directly.

On Oct 7th, band students will be traveling to LaMoille school to audition for the BVEC Music Festival Band. On Tuesday, Oct 14th these students will rehearse and perform a concert at 6:30pm.
